

## 2017-2018 Rules & Policies

The Indiana State Administrative Committee (Committee) is responsible for the overall organization of all designated qualifying events and programs within the State of Indiana. The Committee will make sure all competitions follow USA Gymnastics Rules and Policies. The following rules are the Committee's responsibility to put in place, along with clarifications of the USA Gymnastics R&P and do not take the place of USA Gymnastics R&P. **It is very important that you read both sets of rules – Indiana R&P and USA Gymnastics R&P.**

### **DESIGNATED LOCALS (DL) AND QUALIFICATION PROCEDURES TO STATE MEETS**

A designated local (DL) is a qualifying meet that all Indiana USA Gymnastics compulsory gymnasts must participate in to meet the qualification requirements for participation in an Indiana State compulsory meet. In order to host a DL you must submit a DL/State Meet Bid Form and return to the State Chair by the deadline date indicated on the form. Forms can be found on the State website at [www.indianausagym.org](http://www.indianausagym.org). Based on the state DL calendar and three (3) DLs per weekend (with the exception of statewide events and meets utilizing more than one panel of judges) clubs who have submitted the official bid form by the deadline date and meet all of the bid criteria will be considered for the distinction that their meet is a DL qualifying meet. The final DL calendar will be presented at the annual State Calendar meeting held annually in Indianapolis.

#### **Qualification Requirements for State Meets**

- **Level 2 / Xcel Bronze – gymnasts must compete in one (1) DL meet in Indiana as a Level 2 – no qualification score required**
- **Level 3, 4 & 5 / Xcel Silver and Gold- gymnasts must qualify at a DL meet in Indiana with a 2 judge panel– qualifying score 32.00 AA once**
- **Levels 6-10 / Xcel Platinum and Diamond may qualify at any USA GYMNASTICS sanctioned meet in or out of state with a 2 judge panel – qualifying score 32.00 AA. If qualified out of state meet results must be sent to Dave Stiles for score verification.**
- **Individual Event Specialists (Levels 8-10) – Must score an 8.5 on an event at any USA GYMNASTICS sanctioned meet**

**Gymnast Tracking** - Clubs must register their gymnasts with USA Gymnastics Member Services by September 30<sup>th</sup> in order for Indiana to confirm rosters and coordinate gymnast tracking for the upcoming season. Any change to your team roster throughout the season must be updated with USA Gymnastics Member Services and also communicated to Dave Stiles at [d.b.stiles@comcast.net](mailto:d.b.stiles@comcast.net). Please keep your roster updated and current. Tracking of state qualifiers and mobility scores will be done through the results submitted from each DL.

**Drop Back Date** - December 31<sup>st</sup> is the drop back date for compulsory levels only. Compulsory gymnasts may not move back levels after this date. See USA GYMNASTICS R&P for further clarification. There is no drop back date for optional or Xcel gymnasts.

### **CRITERIA TO HOST A DESIGNATED LOCAL (DL)**

It is the Committee's intention to award clubs who meet the criteria a minimum of one (1) DL starting with bid forms marked Priority #1. Additional DLs will be awarded based on date availability. Only Priority #1 requests will be awarded in November and February. Out of house meets where venue contracts are required will be given first priority for requested date. Any annual out of house DLs that requires more than one panel of judges will be automatically included on the state calendar. ***In-house meets must provide two (2) alternative dates for competition. All bid forms must include a drawing of gym, equipment and mat layout with measurements/dimensions.***

- A. **DL Bid Form** – Must be completed for each DL a club wants to host and submitted to the State Chair by the deadline listed on the form for each competitive season. Bid forms can be found on the State website.
- B. **USA Gymnastics Sanction** – All DLs must be sanctioned by USA Gymnastics. Sanction forms are available online on the USA Gymnastics website. **You must be a current "USA Gymnastics Member Club" to apply for a sanction.** It is the Meet Director's responsibility to complete the requirements of the sanction and return to the USA GYMNASTICS office.
- C. **Meet Directors Test** – Can be found on the USA Gymnastics website under Women's Program. All DL Meet Directors MUST complete this test and be Meet Director certified.
- D. **Host Clubs** – Each club is required to offer at least three hundred (300) entries into the meet over a two (2) or three (3) day weekend within the DL state calendar. The meet should be organized so it will not run more than fourteen (14) hours each day from start to finish. Refer to USA Gymnastics R&P rules for allowable numbers per session. All host clubs must be a USA Gymnastics Member Club.
- E. **State and Regional Competition Fees** (Head Tax) – Competition fees are due within forty-eight (48) hours following a DL meet along with a copy of the signature page of your sanction. \$1.00 per gymnast will go to Region 5 and \$1.00 per each Indiana gymnast will go to Indiana USA GYMNASTICS for all levels that attend a DL meet. If competition fees are not received within fourteen (14) days of the DL meet a \$25.00 late fee will be assessed. If competition fees are not paid future DLs will not be awarded until payment is received. Send fees to:

- B. Host Club and Meet Directors contact information
- C. Entry fee for individual competition and team, whom it is payable and entry deadline date
- D. Spectator admission fees
- E. Equipment description; must list manufacturer(s) for all available equipment including boards, along with any special circumstances that may vary from R&P specifications.
- F. Age divisions if known in advance or procedures for determining age groups
- G. Type of awards and number to be awarded. Also include the day/time of the award ceremonies.
- H. Local hotel and transportation information, if necessary.
- I. Competition schedule
  1. If the number of competitors is a known quantity, then specify the schedule.

2. If the number of competitors and age divisions is unknown, indicate that a schedule will be sent after all entries have been received.

#### **G. Entries and Fees**

1. DLs must be open to all Indiana clubs and information must be sent out and posted on the state website a minimum of five **(5) weeks** prior to the meet. Entry deadlines must be stated on entry form.
2. **Entry Fees** – Host Clubs/Meet Directors may charge whatever entry fees they want for DL meets. **Xcel entry fees should correspond to JO entry fees as follows: Xcel bronze – level 2, Xcel silver and gold – compulsory, Xcel Platinum and Diamond - optional.** *\*Requests for refunds will be honored up to 2 weeks prior to the DL meet.*
3. **Late Entries:** Please refer to Page 36, Section G of the USA GYMNASTICS R&P which states that a maximum fine of \$25 per individual entry may be charged if entry received after the deadline date. It is recommended by the Committee that the late fee charge be \$25 per team and not individual. The Meet Director may refuse entries if they are received ten (10) days or less prior to the first day of competition. Replacements (with an athlete in the same age division and same level) may be made with no extra fee up to the start of the timed warm-ups. It is the DL Host's decision to accept any replacement whether in the same age group or level.
4. **Admission:** Admission fees for DLs are at the discretion of the Host Club/Meet Director. Admission fees should be stated on the meet information/entry form.

#### **H. Meet Schedule**

1. Meet Directors must specify if sessions do not fall on a Saturday or Sunday. If alternate sessions are not specified, clubs are entitled to a refund if their gymnasts cannot compete on the alternative days. It is the Meet Director's responsibility to contact the assigner and judges of any and all changes made to the original request.
2. **Organizing Sessions:** It has been recommended by the Committee that clubs be kept together as much as possible. This is in an effort to cut down on the number of sessions that coaches have to attend and to let the gymnasts compete with their teammates more often. Let any clubs that have gymnasts in more than one squad and/or gym know that an extra coach will be needed.

- I. Age Groups** - Meet Directors may determine age groups for all levels including Xcel.

#### **J. Individual and Team Awards**

1. DLs are invitationals and may be treated as such. Awards are at the discretion of the Host Club/Meet Director but must follow Indiana R&P for Level 1-3 achievement awards. Please keep in mind that it must be stated on the meet information/entry form what type and how many awards will be given and if there will be a team competition.
2. Achievement awards for Levels 1-3 are not required to be given at DL meets. It is at the discretion of the Meet Director if achievement awards are given. ***Achievement awards must be given at the Level 2 and 3 state meets following the score chart outlined by the State Committee.***

#### **K. Meet Results**

1. **Submission of Results** - All meet results (individual and team) **MUST** be emailed to Dave Stiles at [d.b.stiles@comcast.net](mailto:d.b.stiles@comcast.net) within forty-eight (48) hours of the competition. It is the Meet Director's responsibility to make sure the results are sent and this procedure is followed. Failure to do so could result in loss of DL hosting rights in the future. DLs held on the last qualifying weekend must email results to Dave Stiles within twenty-four (24) hours. Meet results turned in late will receive a \$25.00 late fee.

2. **Out of State Meets - For gymnasts qualifying at an out of state meet for Levels 6, 7, 8, 9, 10, coaches are responsible to turn in results to Dave Stiles. Out of state scores will not count until this information or results are received. The qualifying competition must be a USA GYMNASTICS sanctioned meet.**

3. **Score Reporting Procedure**

- A. Microsoft Excel is the preferred format. This takes the least amount of time to format into a usable form to place on [www.indianausagym.org](http://www.indianausagym.org).
- B. Information to send:
1. Host Club
  2. Meet Director
  3. Email Address
  4. Date of Meet
  5. Sanction Number
  6. On Score Sheet
    - a. Gymnast Name (Last Name, First Name)
      - Please do not include nicknames
      - Gymnast name in the meet should match what is listed on your club roster.
    - b. Club Name
    - c. USA GYMNASTICS Number (Scores will not be posted if USA GYMNASTICS Numbers are missing)
    - d. Event Scores and All-Around

- C. Do NOT include Level 1 or Non-Sanctioned results
- D. Send to Dave Stiles at [d.b.stiles@comcast.net](mailto:d.b.stiles@comcast.net)

- L. Professional Membership Cards** - Every coach must present his or her membership card or proof of membership and driver's license (or photo ID) before going on the floor for a DL or State Meet. The Regional Board passed a fine for those that do not have their membership cards. The fine works as follows: If you do not have your card and the Meet Director has the ability to look up and **print** out verification of your membership you will be allowed on the floor. They can charge you up to \$25 for this service. If this service is not available you will not be allowed on the floor. Your membership card or verification (wristband) must be visibly displayed at the competition. The Meet Director is responsible for checking memberships and access to the competition floor. If in violation, USA GYMNASTICS can assess a fine starting at \$100.00 for violating the sanction.

**M. Professional Behavior** for DLs and State Meets

1. No cell phones used or heard on the competitive floor
2. No babies or young children on competitive floor. Only competing gymnasts are allowed on the floor during their session
3. In order to show appreciation for the efforts of the host club when providing hospitality at meet sites, coaches and judges are not to make unreasonable requests or comments
4. Coaches are asked to educate team parents that only professional members should contact Meet Directors with questions about the meet.
5. Use of tobacco products on the competition floor is prohibited.

## M. Judges

1. ***Must use two (2) judge panels for Levels 3-10 and Xcel Silver, Gold, Platinum and Diamond to qualify to a state meet. Level 1-2 and Xcel Bronze may use a one (1) judge panel.*** Xcel judges must have a minimum of a Level 7/8 rating. Judges should sit apart if at all possible.
2. **Judges Request: All** Judges Request Forms are due by **August 15th** for DLs for the entire competitive season. A \$3.00 per judge assigning fee should be included with submission of the request form payable to Indiana NAWGJ. If a Meet Director fails to turn in a Judges Request Form and is more than ten (10) days late they could lose their distinction as a qualifying meet. They may still host a meet on this weekend and must notify the clubs that it is not a DL qualifier on the meet information/entry form.
3. **Requesting Judges –** The Meet Director has the right to request what judges you would like to judge your meet. You also have the right to request which judges you do not want to judge your meet. Please keep in mind that the assignor will do everything in their power to honor this request. As there are two (2) other meets running at the same time in the state you may not get the first eight (8) judges that you request. This information will be kept confidential by the assignors.
4. **Meet Directors** are responsible for contacting the assigner with session times and maps to the meet site a minimum of ten (10) days before the meet. After this time frame it will be your responsibility to contact the judges of the site location and session times. The assigners will be turning in those that did not fulfill this responsibility. Failure to follow this procedure will diminish chances to host a DL meet in the future.
5. **Cancellation of Officials:** Please refer to Page 60 of the USA GYMNASTICS R&P for clarifications For DLs, if you request more than one (1) panel of judges (more than eight (8) judges) and cancel out additional panels the State has no recourse for that competitive year. Each year we assign the DLs on the basis that we can run qualifiers based on the number of judges available each weekend. This year it is twenty four (24) judges for any given weekend. As recourse for this we will not assign more than eight (8) judges to any qualifying meet you may run in the next season. You may contract additional officials on your own. The qualifying portion of your competition will be only that being judged by the officials that are contracted by the State.

## L. Problems and Grievances

The following is what you need to do in order to file a complaint or grievance against a professional member. File a letter with the State Chair in regards to the problem. A copy of this letter will be sent to the individual(s) accused. After receiving a rebuttal from the accused, the Ethics Committee will meet to discuss actions. Any and all complaints must be made in writing for action to be taken. If a problem occurs during a meet, then it must be reported to the Meet Director and Meet referee at that meet.

## M. Bounced Checks & Failure To Pay

DL and State Meet Hosts may charge the club who has bounced a check up to \$25 dollars as the entry was technically late due to non-payment, plus any bank service charges. Host clubs must notify the State Chair of any bounced checks that do not get cleared up or any entry fees not paid so future DL/State Meet Hosts can be notified.

## STATE MEETS BID INFORMATION AND CRITERIA TO HOST A STATE MEET

**To bid on an Indiana State Meet, an official bid form must be completed for each State Meet a club wants to host and submitted to the State Chair by the deadline listed on the form for each competitive season.
